Commissioner of Patents

Notice of Non-Responsive Amendment

The communication filed on 9/8/03 is not fully responsive to the Office communication mailed on 6/6/03. Specifically, the response is largely illegible at the bottom of each page. For example, the examiner cannot even make out any part of amended claim 6. This may well be a result of poor scanning in to the new IFW format. At this point, it appears applicants may well have overcome outstanding rejections under 112 2nd paragraph, but the examiner cannot reach a final decision unless a legible copy of each claim, and all of applicants' arguments, is in the response. It would be remedial to send in a second, legible copy of the response. Please send the copy of the response directly to (703) 872-9306. To the extent this is an error in scanning applicants' response, the examiner apologizes.

Applicant is given a TIME PERIOD of ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to submit an amendment in compliance with 37 CFR 1.121, effective, March 21, 2001, in order to avoid abandonment.

EXTENSIONS OF THIS TIME MAY BE GRANTED UNDER 37 CFR 1.136(a).

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Gerald G. Leffers Jr. whose telephone number is (703)-308-6232. The examiner can normally be reached on Monday through Friday, 9:30 am to 6:00 pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Remy Yucel can be reached at (703) 305-1998. The fax number for the organization where this application or proceeding is assigned is (703) 305-1998.

Any inquiry of a general nature or relating to the status of this application or proceeding should be directed to Zeta Adams whose telephone number is (703) 305-3291.
